AI Expert

MyGov is the citizen engagement platform of the Government of India. It is an Independent Business Division under Digital India Corporation, a Section 8 company under the Ministry of Electronics & Information Technology. Details about MyGov can be seen at https://MyGov.in .

MyGov is looking for an AI Expert who have strong understanding of prompt engineering and experience with leading AI/LLM platforms and ability to create, evaluate and refine AI-generated content for different formats and audiences.

An ideal candidate should have work experience in AI automation, APIs, AI agents or no-code/low-code AI workflows.

You will be under probation for the first 3 months from the date of joining. It is not mandatory for MyGov to absorb you or offer you a regular contract after the completion of the probation period. The period of probation can be reduced or increased by MyGov and shall be solely based upon your performance.

After successful completion of the initial contract period, a regular contract will be given.

Please review the positions listed below and apply in the form given in this notification. MyGov is hiring experienced professionals for an AI Expert.
