Researcher

MyGov is the citizen engagement platform of the Government of India. It is an Independent Business Division under Digital India Corporation, a Section 8 company under the Ministry of Electronics & Information Technology. Details about MyGov can be seen at https://MyGov.in .

MyGov is looking for a Researcher who can utilize strong data analysis and maintain up to date knowledge of government policies and schemes, are consistent with the MyGov guidelines and goals.

An ideal candidate should have work experience in developing and implementing creative strategies that align with MyGov objectives and guidelines.

You will be under probation for the first 3 months from the date of joining. It is not mandatory for MyGov to absorb you or offer you a regular contract after the completion of the probation period. The period of probation can be reduced or increased by MyGov and shall be solely based upon your performance.

After successful completion of the initial contract period, a regular contract will be given.

Please review the positions listed below and apply in the form given in this notification. MyGov is hiring experienced professionals for a Researcher.

Position: Researcher

No. of Position(s): 04

Qualification: Bachelors or Master's degree in any discipline

Years of Experience: 2-3 years of experience

Roles & Responsibilities:

- Maintain up-to-date knowledge of all government schemes, policies, and decisions, and understand their historical and cross-sectoral contexts.
- Conduct independent, source-driven research on policy, economic and geopolitical issues, including rapid-response assignments.
- Produce concise and accurate reports, policy briefs, briefing notes, articles and other written material for senior audiences.
- Create clear and engaging charts, infographics, creatives and visual briefs to communicate complex research, data and key insights effectively.
- Review and analyze media coverage, public opinion surveys, and expert opinions from subject matter experts and government representatives on a daily basis.

- Conduct rigorous fact-checking of claims, statistics and historical assertions using credible and primary sources wherever possible.

Qualifications:

- 2–3 years of relevant experience in research, public policy, government and consulting roles.
- Preferred: Candidates who have reached the UPSC Civil Services Examination Mains stage or served as a Legislative Assistant/Aide to an MP, or completed a recognized Chief Minister's/Public Policy Fellowship.
- Strong analytical and data interpretation skills, with proficiency in Excel/Google Sheets and familiarity with research tools.
- Excellent written and verbal communication skills, with the ability to simplify complex information clearly and concisely.
- Proven ability to multitask, prioritise and deliver high-quality work under tight deadlines.
- Strong attention to detail, sourcing and factual accuracy, with the ability to work independently and collaborate effectively with a team.

Requirements

- Work Location: Delhi
