4. Process for Recruitment

A. For the posts of Chief Scientist and Senior Scientist

- (1) It is not necessary that the candidate having essential and desired qualification(s) shall be called for interview or considered for further process.
- (2) For all the posts, it is mandatory to obtain minimum 50 percent score in the scorecard evaluation for unreserved category as per the rules approved by the Board of Management of University. It is mandatory to obtain minimum 45 percent marks for candidates belong to Other Backward Class, Economically Weaker Section (EWS) and Specially Abled Person (Divyangjan) categories and minimum 40 percent marks for Scheduled Caste and Scheduled Tribe categories.
- (3) All applications received will be screened/evaluated/tested as per the scorecard prescribed by the University and the only candidates found eligible will be considered for the further process.

- (4) The eligible applicants will be considered for the interview in the ratio of 1:3 to 1:8 (post to applicant). After screening of applications, the top 3 to 8 applicants will be called for interview for one post on the basis of their ranking/ merit obtained in the scorecard evaluation. If the number of posts is increased, next three applicants will be added for each post. For example, 8 applicants for 1 post, 11 applicants for 2 posts, 14 applicants for 3 posts, 17 applicants for 4 posts, 20 applicants for 5 posts will be called for interview. If the number of posts exceeds this, the same sequence will be continued.
- (5) If there are less than 3 eligible applications for any post, the process for that post may be cancelled or stopped.
- (6) Email will be given priority to inform the selected candidates to call for interview. Therefore, candidates should provide the same email, which will be used continuously for a long time. Candidates are also requested to mention the correspondence address, which will be used for a long time.

B. For the posts of Scientists

The selection process for the posts of scientist advertised by this advertisement shall include following stages:

- (1) Eligibility Determination Process (EDP)
- (2) Competence Evaluation Test (CET)
- (3) Score Card Based Eligibility Determination (SCBED)
- (4) Interview Based Evaluation (IBE)

In the first stages, eligibility will be checked primarily and the ineligible applicants shall not be considered for the next stages of the process. The marks distribution for the subsequent stages of the recruitment process will be as follows:

A. CET's Weightage (Total Marks)	-	40 Marks
B. SCBED 's Weightage (Total Marks)	-	40 Marks
C. IBE's Weightage (Total Marks)	-	20 Marks
Total Marks	-	100 score

The details of the aforementioned stages are as follows:

4.B.1. Eligibility Determination Process (EDP)

1. This process will be conducted by the Provisional Eligibility Determination Committee (PED-C). The committee will conduct a preliminary scrutiny of all applications for the minimum academic qualifications, age and caste/ category and other terms and conditions as well as other eligibility criteria/ specified conditions in the advertisement. **Candidates who fail to meet the minimum qualifications, conditions, or submit the required documents will not be considered for the next stages.**
2. During the preliminary screening, if the committee observes that any information provided by a candidate lacks the required details as per the instructions, or contains false disclosures, or if any document in the application is found to be incomplete, untrue, fake, incorrect, defective, or outside the purview of the specified qualifications,

eligibility, or conditions, the committee shall be authorized to declare the said candidate ineligible and reject their application.

3. The list of eligible and ineligible candidates prepared by the committee will be published on the university website, clearly indicating the reason for the ineligibility of ineligible candidates. Only the candidates found eligible will be permitted to participate in the subsequent stage, *i.e.* the Competence Evaluation Test (CET).

4.B.2. Competence Evaluation Test (CET)

1. A Competence Evaluation Test (CET) will be conducted for the direct recruitment of these Assistant Professors. The syllabus for the CET will be uploaded on the website and communicated to the candidates.
2. After finalization of examination date, notifications and admit cards for eligible candidates will be released on the university website. All applicants will also be informed via E-mails.
3. A written examination of 100 objective-type questions will be conducted as the first stage of this direct recruitment process. Each question will carry one mark; thus, the CET will be conducted for a total of 100 marks. The duration of the examination will be 90 minutes.
4. There shall be a provision for negative marking in this examination (CET). For every incorrect answer, 1/4 (0.25) mark will be deducted, meaning that four incorrect answers will result in a deduction of one mark from the total score.
5. The direct recruitment process will adhere to the notification (No. कु.स./स्था.-1/2023/2729 dated 14.08.2023) issued pursuant to the decision taken during the 48th meeting of the Board of Management. According to this, candidates shall be deemed eligible and allowed to participate in the subsequent two stages *i.e.* SCBED and IBE, only if they secure the minimum qualifying marks in the CET as specified below. Qualifying the Competence Evaluation Test (CET) is mandatory for candidates. The minimum qualifying marks for candidates of different categories are as below:

(a)	Scheduled Tribe (ST)	40%
(b)	Scheduled Caste (SC)	40%
(c)	Other Backward Class (OBC)	45%
(d)	Economically Weaker Section (EWS)	45%
(e)	Persons with Disabilities (PwD)	45%
(f)	Unreserved Category (UR)	50%
6. It is not mandatory for all candidates declared 'qualified' in the CET to participate in the subsequent stages. Participation in future stages for qualified candidates will be governed by the notification dated 14.08.2023, issued in accordance with the decision of the Board of Management. A category-wise merit list of candidates declared 'qualified' in the CET will be prepared; from this list, a minimum of three and a maximum of eight meritorious candidates per advertised post will be selected for the subsequent process. This process will be conducted category-wise for each advertised post. If a category includes a reservation for women or if the number of posts exceeds three, a separate merit list of eligible female candidates will also be prepared for those posts.

For example: If the number of advertised posts in a category is 01 (one), a maximum of eight candidates will be selected for the next stage. If the number of advertised posts in a category exceeds 01 (one), then for the first post, 03 to 08

applicants will be selected; subsequently, for each additional advertised post, 03 will be added to the count, and 'qualified' candidates corresponding to that total number will be selected for the next stage. **Accordingly, the number of 'qualified' candidates included in the next stage will be a maximum of 08 for 01 post, 11 for 02 posts, 14 for 03 posts, 17 for 04 posts, and 20 for 05 posts. This sequence will be followed consistently based on the number of posts.**

7. If two or more candidates declared 'qualified' in the CET and hold the same marks at the last position of the category-wise merit list (prepared based on the required number of posts), all such candidates with equal marks will be included in the merit list and will be considered for subsequent stage; they will be assigned the same rank and listed alphabetically by name.
8. To convert the marks obtained in the Competence Evaluation Test (CET) to a total of 40 marks, the calculation will be performed by multiplying the obtained marks by a factor of 0.4. For example, if a candidate scores 60 out of 100 in the CET, the score will be calculated by multiplying 60 by the 0.4 factor; the resulting 24.000 will be considered the final CET score.
9. The results of the Competence Evaluation Test (CET) will be published on the university website.

4.B.3 Scorecard Based Eligibility Determination (SCBED)

1. For candidates who qualify the CET and fall within the numbers specified in Point No. 4.B.2.6, a scorecard-based evaluation will be conducted by the Scorecard-Based Eligibility Determination Committee (SCBED-C), formed according to University Statutes.
2. The Scorecard-Based Eligibility Determination (SCBED-C) will award marks out of a maximum of 80, based on the model scorecard. These marks will be converted to a scale of 40 for the final calculation. Specifically, the marks obtained will be converted to the scale of 40 by multiplying them by a factor of 0.5.

Example: If a candidate secures 50 marks out of 80 in the SCBED, the marks out of 40 will be calculated by multiplying 50 by the 0.5 factor; the resulting figure of 25.000 will be considered the final score.

3. The Scorecard-Based Eligibility Determination Committee (SCBED-C) will perform the following tasks:
 - (i) To thoroughly re-examine the eligibility of the prescribed number of eligible candidates' applications, in accordance with the rules specified in Point No. 4.B.2.6. If the committee finds any candidate's application to be 'ineligible', it shall be authorized to reject that application, citing the reason(s) for doing so.
 - (ii) The Scorecard-Based Eligibility Determination Committee (SCBED-C) shall prepare individual scorecards for all these candidates; these shall be kept in a sealed envelope maintaining strict confidentiality until the interview process is concluded.
 - (iii) The Scorecard-Based Eligibility Determination Committee (SCBED-C) shall also prepare a summary sheet of the scorecards for all these candidates; this shall be kept in a sealed envelope maintaining strict confidentiality until the interview process is concluded.

- (iv) In addition to the above, the Scorecard-Based Eligibility Determination Committee (SCBED-C) shall prepare a list of all these candidates in alphabetical order also. Call letters for the interview shall be issued to the candidates based on this list.

4.B.4. Interview-Based Evaluation (IBE)

(a) Invitation to candidates for the interview:

1. Call letters for the interview will be issued to candidates based on the alphabetical list prepared by the Scorecard-Based Eligibility Determination Committee (SCBED-C).
2. Call letters will be sent at least 07 days prior to the date of the interview via both e-mail and Speed Post.

(b) Document Verification

1. Verification of all original documents of the candidates will be conducted by the Document Verification Committee (DVC) prior to the interview.
2. If any discrepancy or false disclosure is observed by the Committee regarding the documents submitted with the application, a written record shall be prepared, and action will be taken to exclude the candidate from the interview process in accordance with the prescribed procedure; furthermore, depending on the gravity of the matter, a criminal case may be registered against the candidate, and legal action may be initiated. In the event of cancellation, a cancellation order citing the specific reason shall be issued to the candidate immediately and an acknowledgment of receipt obtained from the candidate and kept on record.

(c) Conduct of the interview and issuance of appointment letters to selected candidates

1. The Interview-Based Evaluation (IBE) will be conducted by the 'Interview and Selection Committee (ISC)', constituted in accordance with University Statutes.
2. This Interview-Based Evaluation (IBE) will carry a total of 20 marks. The Chairperson and members of the Committee will award marks to each candidate based on his/her performance during the interview.
3. The average of the individual scores/ marks awarded by the ISC Chairperson and members to determine the final marks and an 'Integrated Result Sheet' will be prepared and signed by the Committee. Until this process is complete, the candidates' marks obtained in the CET and SCBED, as well as the previously prepared merit/ ranking list, will not be disclosed to the Interview and Selection Committee (ISC).
4. Once the Integrated Result Sheet has been prepared and signed by all concerned, the envelope containing the marks from the Competence Evaluation Test (CET) and the sealed envelope of summary sheet of scores i.e. SCBED will be opened before the Interview and Selection Committee (ISC). The ISC will then proceed to add these marks to the interview scores. Before opening of the envelopes, the committee members and the Chairperson will sign to verify that the envelopes remain sealed.
5. Based on the aforementioned three components, the Interview and Selection Committee (ISC) will prepare a statement of the candidates' total marks and compile the final merit list/ ranking of the candidates who appeared for the interview, starting with the highest total score.
6. If the total marks obtained by more than one candidate are found to be equal, priority shall be accorded as follows:

- (a) In the event of a tie in total marks, the older candidate shall be given priority.
 - (b) If ages are also equal, priority shall be determined based on the marks obtained according to the model scorecard.
 - (c) If the marks obtained according to the model scorecard are also equal, priority shall be determined based on the marks obtained in the qualification/eligibility examination.
 - (d) If the marks obtained in the qualification/ eligibility examination are also equal, priority shall be determined based on the marks secured by the candidates in the scorecard under the categories of (1) academic qualification, (2) publications, and (3) work experience, in that order.
7. Appointment letters will be issued sequentially to the high-ranking candidates in each category according to the number of advertised posts based on the final merit list/ranking, starting from the candidate with the highest marks.

5. The following applicants will not be eligible to apply for any of the post –

- (1) Who has been convicted by any court in any criminal case.
- (2) Who has entered into or contracted a marriage with a person who already has a living spouse.
- (3) Who is not a citizen of India.
- (4) Has been declared ineligible for appointment by the Central/State Government, ICAR, Department of Agricultural Research and Education, RVSKVV or other universities etc. from time to time.
- (5) Any applicant who has married before the minimum age fixed for marriage (21 years for male and 18 years for female) shall not be eligible for appointment to any post.
- (6) Applicants who have more than one living spouse and a female applicant who has married a married man who already has a living wife, shall not be eligible for the service. If the applicant gives wrong information, his/her appointment will be terminated without any prior notice.
- (7) Any applicant shall not be eligible for appointment, who is having more than two children out of which one is born on or after 26 January 2001 as per the rule 6(6) of M.P. Civil Service rules, 1961.
- (8) If any legal/judicial case or departmental enquiry is pending against the applicant, his/her application will be rejected and will not be considered at any stage.
- (9) If the applicant does not fulfil the required criteria as on last date.
- (10) If the age of the applicant is exceeding the maximum age limit on last date of application.
- (11) Applicants who have obtained degree/diploma/certificate from an institute declared fake/invalid by UGC or other governing body.

***Note:**

- (1) If the University /Board gives grading instead of percentage, the equivalent percentage (P) shall be as declared/certified by the Board/University and the certificate/declaration shall be compulsorily attached with the application. However, if the Board / University does not declare equivalent percentage in case of 4-point scale, etc. shall be determined from the following formula: Equivalent Percentage " $P=90G/N$ ", where, G is the overall Grade Point Average (OGPA) or Cumulative Grade Point Average (CGPA) obtained and N is the maximum of the grading scale. In the SAUs where the percentage system out of 10 is being followed for OGPA, the percentage shall be taken as OGPA multiplied by 10. In the SAUs, where the grading system of 10point scale is being followed for OGPA, the percentage will be determined by " $P=10G-7.5$ ".
- (2) If the University does not give an overall percentage/grade point of all years of a degree, then the average of all years/semesters shall be taken for computation of P or G in the above.
- (3) Applicants who had studied under XIth standard shall be marked for the same under the Sr. Secondary (XII) standard.
- (4) Marks will be credited for only one degree at any particular level. For example, applicants having both B.Sc. and B.Tech. degrees will be credited for B.Sc. or B.Tech. degree, whichever is relevant for the post advertised. Similarly, marks will be credited for only one relevant post-graduation degree.
- (5) If division is not awarded by a Board/University then 60% shall be taken as first division.
